

EMERGENCY MEDICAL TREATMENT PROCEDURE

1. The injured child will be given only the necessary and immediate treatment at Montrose Zion Christian Preschool by the Director or designated staff members. The parents or guardian will be notified immediately to come to the school for their child. When deemed necessary, the Paramedics will be called.
2. In case of minor emergencies, The Director will notify the parents or guardian immediately and request that the child be picked up and taken to the family doctor.
3. In case of EXTREME EMERGENCY the Director will notify the parents or guardian immediately. The Paramedics (Life Squad) will be called immediately and the child will be transported to Akron Children's Hospital unless the parent or guardian requests other immediate treatment. The child's complete file will be taken to the hospital. The Director will accompany the child if no parent is present.

I/WE _____, do hereby grant permission for the personnel of Montrose Zion Christian Preschool to proceed with the above emergency procedures in the case that my child _____ may require emergency treatment.
