**Registration** for next year is underway. If you have not returned your completed registration form, please do so ASAP. Plans need to be made at the next School Board meeting scheduled in May to recommend staff adjustments. Please help us advertise at our local restaurants, mom's groups, and your child's sports team. I have plenty of extra flyers for each of our families to distribute.

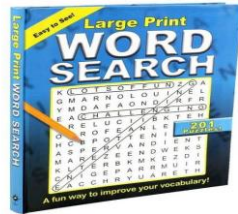

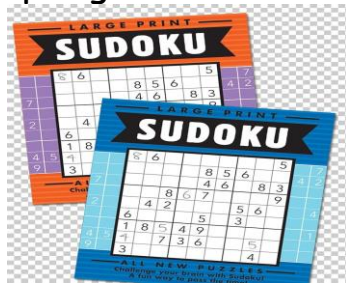

**Dr. Seuss Celebration:** We are so excited to have church staff members, during this first week of March, read a few of our favorite Dr. Seuss books to our children. We will also be eating a yummy "One Fish, Two Fish" snack and passing out special gifts to help celebrate his Birthday!

Please note the letter modification we made for this **SECOND** week in March. We thought a week of the **"SH"** sound would be fun before we go on to the letter "T". We will be doing many activities with shoes, sharks, sheep, shapes, shells, and maybe even do a little Shadow dancing if all our work is done! Oh Ms. SHaron!!!!

**A fieldtrip** to Westside Gymnastics is planned for Friday, March 3<sup>rd</sup> at 10:00 am. We have set up a morning of tumbling and jumping at Westside Gymnastics facility located at 1347 Sunset Dr., Copley. They will have certified trainers to work with our children in many different stations throughout the morning. Please arrive by 9:50 am so our morning can start promptly at 10:00 am. The cost of this field trip is \$10.00 a child and only enrolled preschool children are asked to participate. There is a wonderful large viewing area located on the second floor for observation. The morning will conclude at 11:00. Please return your permission slip, Westside Gymnastics Release Form, and \$10.00 in cash by Wednesday, March 1<sup>st</sup> so we can give them an accurate count of children attending.

**Mission Project for March:** Carrie Peterman (Brooklyn's mom) has reached out to the Ronald McDonald House, next to Akron Children's Hospital, and has given us a few items to collect for their activity bags they give to the families and children staying with them while a loved one is being treated in the hospital. They can use some of the smaller activity books: crosswords, sudoku, word search (no bigger than 5X7) Also decks of cards and Uno type card games are requested. Our last day to collect items will be Friday, March 24<sup>th</sup> before we are off for Spring Break.

Ms. Nicole and I have been doing evaluations with our children throughout the school year. Pre-K is more detailed than my class. If you wish to schedule a conference before or after school to discuss the information provided with these evaluations, please feel free to talk with us. We are extremely pleased with how much we have been able to cover this year in our classes. Most of our Pre-K children have already mastered over 90% of the Preschool Standards set by the State of Ohio. Ms. Nicole will be starting the TSS evaluations soon that will be sent to your child's Kindergarten classroom teacher next year. .

**Chapel Lessons:** During March, the children in the Preschool will be learning about "The Week That Led to Easter" in my Chapel Lessons. Please ask them what they have been learning during our time together.

Upcoming dates to Remember: April 6<sup>th</sup>- Easter party at Heritage Crossing  
April 21<sup>st</sup>: Special Friend Day  
May 7<sup>th</sup>: Bible Sunday for ALL Pre-K students
