Registration will begin this month for new families in the community. If your child is returning in the Fall, please return your registration form along with the registration fee as soon as possible. Forms will be placed in your child's cubby. Our classes will again be capped at a small teacher/student ratio to keep your Preschool experience a very positive one!

Parents: PLEASE help us advertise! Share us on Facebook and fliers are available to distribute!

Chapel Lessons: For the month of February, Pastor Bill will be teaching the children about "Miracles On the Water". Calming of the Storm, Walking on water and that miraculous catch at sea. All of these stories have great lessons about Faith and Trust.

Our Service Project this month will have the children making Valentine placemats and candy filled bags to give to our Pen Pals @ Copley Place Senior Living. Our prayer is that each resident that receives this special craft from your child will know they are loved and cherished by God.

Valentine Party: Everyone is asked to bring in **16** Valentines this year to share with all the children in the school. Please have your Valentines at school by Monday, February 10th. You are more than welcome to attach a treat or small trinket to each card but only add your child's name in

the “FROM” section. Our 3 Year Old Class will have a small party on **Thursday**, February 13th and our Pre-K & 4 Year Old Class will have their fun on **Friday**, February 14th.

Friday, February 28th we will have an inhouse field trip discovering what children’s Yoga is all about. Ms. Abigail is a 200-hour certified yoga instructor and she is eager to share her knowledge of children’s yoga with our preschool. Our class will begin at 10 mixing games, songs and stories with yoga positions and breathing techniques. Please have your child wear comfortable clothes, sneakers or socks with grips, and bring a towel for your child to sit on in the FFC. Parents are welcome to join in the fun too!
